May 18 McMillan Vantage

- Met to discuss strategies for meeting with the Prime Minister's Office

May 19 High Level/Dene Tha' - Prime Minister Office

- Met and gave an overview of the Multi-purpose facility, which was a very productive meeting.
- Pointed to Ministries to meet with and where our project may fall in the budgets of portfolios.
- We have a meeting with Minister McKenna's (Infrastructure) office to discuss our project on June 1st.

May 20 FCM Workshop Meeting

- Met with the organizers of FCM to discuss how the Dene Tha'/TOHL presentation would roll out.
- Presentation will be on June 3rd and I am excited to share the hard work that has gone into building a better relationship with our neighbours; the Dene Tha' and into our joint projects that will benefit both of our communities.
